

# CLAIMS

## Best Practices

It's not something most people look forward to. But it's important to get your hard-earned money back from taxes, and into your wallet **where it belongs.**

### Helpful Tips:

- Whenever possible, reduce frustration by using your handy Beniversal Debit Card.
- To receive your funds faster, sign-up for direct deposit through BRiWeb.com.
- BRI does not require a minimum claim amount, however your plan may have a minimum reimbursement amount. If your eligible claim amount is less than the minimum, it will be held until additional claims are submitted.
- It may take up to 5-7 business days for the claim to process **after it has been submitted**. The claims you submit through the BRiMobile app are available from the participant login. Simply select the Account and review the activity under the Recent Claims section.
