Flexible Spending Accounts (FSAs) are IRS-approved accounts that allow you to pay for eligible medical and dependent care expenses on a tax-free basis. When you enroll in an employer-sponsored Flexible Spending Account, your contributions are not subject to Federal, FICA and most state taxes. This means you bring home more money in your paycheck.

The two most common FSAs are a Medical FSA and Dependent Care FSA. You can have both accounts at the same time, but you must enroll in and fund separate elections for each. For individuals contributing to a Health Savings Account, you may have the option to select a Limited Purpose FSA instead of the Medical FSA.

### MEDICAL FSA
**What are these funds used for?** Funds can be used to pay for eligible medical expenses provided to you, your spouse, or eligible dependents.

**When can I start using the funds in my account?** Your full plan year election is available to use on the first day of the plan year.

**What is an eligible expense?** You can use these funds to pay for expenses that primarily prevent, treat, diagnose or alleviate a physical or mental defect or illness. Common eligible expenses include:
- Copayments, coinsurance, and deductibles
- Dental care (e.g., exams, fillings, crowns)
- Vision care, eyeglasses, contact lenses
- Chiropractic care
- Prescription drugs and over-the-counter drugs and medicines

**What isn’t allowed?**
- You cannot use these funds to pay for expenses that are for personal care, cosmetic, or general health purposes.
- You can also not reimburse expenses from any other source (e.g., insurance).
- You cannot have a Medical FSA if you are enrolled in a Health Savings Account (HSA). However, a Limited Purpose FSA may be available.

**What happens to funds I don’t use?** Check your plan highlights for information about how unused funds are treated.

### DEPENDENT CARE FSA
**What are these funds used for?** Funds can be used for a qualified person:
- A dependent child under the age of 13 for whom you can claim a tax exemption, or
- A spouse or dependent who is physically or mentally incapable of self-care and for whom you can claim a tax exemption.

**When can I start using the funds in my account?** Dependent Care funds become available as they are deposited from payroll.

**What is an eligible expense?** Expenses must enable you or your spouse to be gainfully employed, look for work, or attend school full-time. Common eligible expenses include:
- Before & after school care
- Child care
- Day care in a facility
- In-home dependent care
- Nursery school
- Adult care

**What isn’t allowed?** You cannot use these funds to pay for services provided for education, overnight camps, or services provided by the child’s parent or other dependents. You also cannot claim a federal tax credit for any expenses reimbursed through your Dependent Care FSA. Consult a tax professional to determine if a Dependent Care FSA or the federal tax credit would be more advantageous.

**What happens to funds I don’t use?** Expenses must be incurred within the plan year. Refer to your plan highlights for deadlines to submit claims.
The type of FSA you choose will determine what you can buy with the funds. Below are sample lists of potential eligible expenses under each account. Refer to your plan highlights to verify whether an expense is eligible.

**TYPES OF ELIGIBLE EXPENSES**

- **Medical FSA eligible expenses** are qualified medical products and services and over-the-counter (OTC) medical supplies and drugs/medicines (including dental and vision).
- **Limited Purpose FSA eligible expenses** are qualified dental and vision expenses.
- **Dependent Care FSA eligible expenses** are qualified child day care, nursery school and/or adult day care expenses.

Always check your plan highlights to verify if an item is eligible under your plan. To search for more eligible items, visit [BenefitResource.com/eligible-expenses](http://BenefitResource.com/eligible-expenses)

ENROLLING IN YOUR FSA

Your employer will provide you with detailed instructions regarding enrollment. If online enrollment is offered by your employer, go to BenefitResource.com.

- Click the Employees tab and select “BRIWEB LOGIN.”
- Once logged in, select the Enrollment/Changes tab.
- Enter your election amount(s) for Medical FSA and Dependent Care FSA separately.

Check with your employer or review your Plan Highlights for any minimum or maximum limits that may apply, any restrictions on eligible expenses, and to see what happens to funds that you do not use by the end of the plan year. Plan Highlights can be found on BRIWEB under the "Documents" tab or are available from your employer’s benefits representative.

BEGIN USING YOUR BENIVERSAL CARD

If you have enrolled in an FSA for the first time and the Beniversal® Prepaid Mastercard® is offered, it will arrive in a plain white envelope. Once you receive your card, activate it by calling the number on the activation sticker.

The Beniversal Prepaid Mastercard® can be used at qualified merchants providing medical products and services (doctors, dentists, medical labs, hospitals, medical supply stores, vision centers, certain drugstores, and retail merchants). A list of these merchants is available on our website. The card also allows for contactless payments through Apple Pay®, Samsung Pay®, and Google Pay®.

When using your card, always save your itemized receipts. With an FSA, the IRS requires BRI to verify that 100% of transactions are for eligible expenses. Since some qualified merchants also offer services/items that are not eligible, we may contact you requesting documentation to verify a transaction. Instructions will be provided in the event of a request.

LOG IN TO YOUR BRIWEB ACCOUNT

BRIWEB is your secure login for managing your BRI accounts. It allows you to view balance and transaction information, submit claims, download plan documents, sign up for direct deposit, and more. To get started, go to BenefitResource.com.

- Select the Employee Login option.
- Select “Register an Account.” You will need to register using the Company Code provided to you by your employer and other personal information.
- Once logged in, a dashboard will provide a quick snapshot of your account(s).
- To manage your FSA, navigate to the "Medical FSA" tab.

SUBMIT A CLAIM

If you are not using the Beniversal card or if you have Dependent Care expenses, you can submit a claim with your itemized receipt or supporting documentation. Claims can be submitted online at BRIWEB, through BRIMOBILE, or by mailing a claim form. You can set up direct deposit through BRIWEB to receive reimbursements faster.

PARTICIPANT SERVICES

Participant Services is available to assist with your questions via phone, email and live chat. Both English- and Spanish-speaking representatives are available.

- (800) 473-9595 (M - F, 8am - 8pm (ET))
- ParticipantServices@BenefitResource.com
- Live chat is available through the participant login at BenefitResource.com

DOWNLOAD BRIMOBILE

BRIMOBILE is your on-the-go account access. View balances and recent transactions, submit claims, send receipts, sign up for email/text alerts, and more.

The app is available for Apple and Android in your device’s app store.
