

How to Enroll or Change Your Election with Benefit Resource

1. Go to BenefitResource.com.
2. Click on **Employees** from the Secure Login section at the top of the page. The secure Participant Login will open in a new window.
3. Log in to the website using your Login ID and Password. If this is your first time visiting, you will need to register your account. To register, you will need the following information:

TIP: Bookmark this page for easy reference in the future

- **Company Code:** Set by your employer.
- **Member ID:** Set by your employer. Typically, an employee ID or SSN
- **Personal Info:** First name, last name, date of birth, zip code
- **Access to email or phone number** on file with Benefit Resource

Follow the prompts to select a new Login ID and Password. A confirmation code will be sent to your email or through a text message (messaging rates may apply).

4. From the Dashboard, click on the **Enrollment/Changes** link at the bottom left of the screen.
5. Click on the **Continue Enrollment** button next to the plan for which you wish to enroll or make a change.
6. Follow the prompts to complete your enrollment. This will include validating demographic data, selecting an election amount(s), and reading and agreeing to applicable Terms and Conditions.
7. An email with a confirmation code and new election amount(s) will be sent to the email address on file. Retain this for your records.
