SPANISH RESOURCES

We have content dedicated to providing Spanish-speaking employees with the information they need about their benefit account(s). Fully translated materials include:

- Enrollment brochures & FAQs
- Fillable forms
- Expense calculator worksheets
- Information about eligible expenses
- Educational flyers

Who translates the content? Our content and materials are translated in-house by Spanish-speaking individuals well versed in the industry, so you can feel confident in the translation quality.

Where are Spanish materials found? Go to the Resource Center and filter "Use Case" by "Spanish". Other filters can be used as needed. Alternatively, visit BenefitResource.com/espanol to access all content translated in Spanish.
