

Commuter Benefit Plan

Savings for your workplace mass transit and parking expenses

Enrolling in a commuter benefit plan saves you money each month, and our convenient options and tools make it easy.

Are you paying more taxes than you need to?

By enrolling in a commuter benefit plan (CBP), you can pay for qualified workplace commuting expenses with tax-free contributions, meaning you will not pay federal income taxes, social security (FICA) taxes, or state income taxes (may vary by state) on these expenses. When you enroll in the plan, you will indicate how much you want to contribute to your Mass Transit and/or Parking Account.

What are eligible commuting expenses?

Qualified (or eligible) workplace commuting expenses must be for mass transit and/or parking expenses incurred between a residence and place of employment.

Qualified mass transit expenses include: buses, trains, subways, ferries and vanpools. Ridesharing services like LyftLine and uberPOOL can be qualified commuting expenses when using the **Beniversal[®]** or **eTRAC[®]** Prepaid Mastercard[®].

Qualified parking expenses include parking expenses incurred near your workplace (e.g. SpotHero) or at a location from which you commute to work (e.g. park-and-ride).

How do I determine my election amount?

When using the **Beniversal** or **eTRAC Prepaid Mastercard**, set your Mass Transit and/or Parking election equal to your total monthly expense. Your election is how much money you choose (elect) to have deducted from your paycheck and deposited into your account. If you decide to enroll in both a Mass Transit and Parking Account, you must **sign up for them separately** and **fund separate elections for each account** to cover your monthly commuting expenses.

Your contributions will be deducted tax-free up to the IRS monthly maximums. The current tax-free limits can be found in your plan documentation or under the CBP FAQs on www.BenefitResource.com. Review the "Tips for using your card" section on the back for more ways to get the most out of your account.

Tax Savings Example

Monthly commuter expense	\$200
Monthly tax savings (Federal, State, FICA)	\$60
Annual tax savings	\$720

The figures above are for illustration purposes only. Actual savings and tax rates may vary.

Key Information

- **Calculate your potential savings!** Go to <https://education.benefitresource.com/cbp/calculator.php>.
- Your election(s) will remain in effect until you submit an election change. Check with your employer on how and when changes must be submitted.
- Any extra money in your account rolls over and can be used for future qualified expenses for that account. Excess cash balances cannot be refunded from an account and can only be used for qualified expenses.
- If you build up a balance, you may temporarily reduce your election to \$0 in order to spend down the balance and remain active in the plan.
- Plan funds must be used for qualified commuting expenses.

For additional plan details, contact your employer or see your plan documentation.

Once your payroll deductions begin, they will be posted to the corresponding account(s) and available to use for eligible commuting expenses.

How do I access my commuter benefit plan?

Using your card

After initial enrollment, you will receive the [Beniversal Prepaid Mastercard](#) or [eTRAC Prepaid Mastercard](#) to use at qualified mass transit and/or parking vendors. As of January 1, 2016, workplace mass transit expenses must be purchased using the card. In the unlikely event that a merchant does not accept the card for eligible parking and vanpooling expenses, claim reimbursement is available. See "Submitting a claim" below.

Tips for using your card:

- **Elect the full cost of your mass transit and/or parking expense.** Your election will be deducted on a tax-free basis up to the current limit. Any remaining amount needed to cover your monthly expense will be deducted on a post-tax basis. The entire election amount will be loaded to your card.
- **Limit purchases to the available balance.** Before making a purchase, verify your balance with the BRiMobile app. You can also log into your online account on BRiWeb to ensure you have enough money on your card to cover the full cost of your expense.
- **Use it like a debit or credit card.** If asked, select CREDIT to sign for the purchase or DEBIT to enter a PIN. To request a PIN, call (855) 247-0198. There is no ATM or cash access associated with this card.
- **Link your card for recurring expenses or reload programs.** If you are enrolled in an auto-reload program, monthly online subscription, or online payment program, your card can be linked to the program as the payment source.

Submitting a claim

If a merchant does not accept the card, claim reimbursement is available for eligible parking and vanpooling expenses.
