

ADP Marketplace Partner Spotlight

Benefit Resource, LLC

Powerful benefits, with expertise and service

The demand for benefits with flexibility and choice is growing rapidly. When you partner with BRI, you not only access the Beniversal Tax-free Benefits Suite— you also receive simpler administration and peace of mind while providing your employees with a unique blend of service, convenience, and savings.

Enhance your overall benefits administration and offering.

The Beniversal Tax-free Benefits Suite lets you implement a plan design that both complements and enhances your current benefits offering. We offer administration of tax-free benefits programs including commuter benefit plans, flexible spending accounts (FSAs), health reimbursement accounts (HRAs), health savings accounts (HSAs) and specialty accounts. BRI also provides COBRA administration and direct billing services.

Help streamline your administration and enrollment.

Whether you have basic or custom implementation needs, we work with you and keep you informed every step of the way. Each client is assigned a specialist who works with you one-on-one to guide you through the implementation and administration options. In addition, our in-person and web-based enrollment support paired with our comprehensive enrollment materials and communication ensures that all of your employees' questions are answered.

Deliver a hassle-free experience for employees.

The Beniversal® Prepaid Mastercard® is an all-in-one card that delivers a simple experience for employees. A swipe of the Beniversal card at a qualified merchant pulls the right amount from the right account, virtually eliminating the need for reimbursements. Our alliance with Mastercard also assures wider acceptance and higher confidence for your employees with built-in ID theft protection.

Access tools to help streamline your benefit accounts.

To top off your streamlined administration experience, use our suite of resources including the BRiMobile app and BRiWeb portal. The BRiMobile app gives your employees on-the-go access to account information, including transactions and monthly summaries. BRiWeb is the online portal you and participants can use to securely manage your account with BRI.
