

# Better Parking with SpotHero

## DIGITALLY RESERVE AND PAY FOR PARKING SPOTS

Through our partnership with SpotHero, BRI provides commuter participants the best way to find a parking spot quickly and touchlessly pay with their pre-tax dollars.

### WHO IS SPOTHERO?

**SpotHero** is a digital parking reservation service that helps drivers find, reserve & access parking spots in 300+ cities across North America. This is done through the SpotHero app, available on the App Store and Google Play.

Those who use the SpotHero app can save time and money on their workplace commute by reserving their parking ahead of time using the SpotHero app. And now, they can also park safer. The new touchless filter on the SpotHero app enables users to search for touch-free locations to park. You add your Beniversal or eTRAC card to the Uber or Lyft app, it will automatically be identified as a commuter benefit card and will only be available as the payment method for qualifying rides. For verification purposes, make sure the address you list in the app matches the address on file with BRI.

### PARTICIPANT SOLUTIONS

Participants with a Parking Commuter Benefit Plan can use their Beniversal® Prepaid Mastercard® in the SpotHero app to pay for workplace parking expenses.

It's easy to connect your Beniversal card to the SpotHero app. Once connected, participants can start using their pre-tax commuter funds to pay for their workplace parking needs.
