WHO IS SPOTHERO?

SpotHero is a digital parking reservation service that helps drivers find, reserve & access parking spots in 300+ cities across North America. This is done through the SpotHero app, available on the App Store and Google Play.

Those who use the SpotHero app can save time and money on their workplace commute by reserving their parking ahead of time using the SpotHero app. And now, they can also park safer. The new touchless filter on the SpotHero app enables users to search for touch-free locations to park.

PARTICIPANT SOLUTIONS

Participants with a Parking Commuter Benefit Plan can use their Beniversal® Prepaid Mastercard® in the SpotHero app to pay for workplace parking expenses.

It's easy to connect your Beniversal card to the SpotHero app. Once connected, participants can start using their pre-tax commuter funds to pay for their workplace parking needs.

CORPORATE SOLUTIONS

SpotHero also offers corporate solutions to help employees pay for work-related parking expenses.
